

Assistant Professor – Forest Entomology
University of Wisconsin-Madison

The Department of Entomology in the College of Agricultural and Life Sciences at the University of Wisconsin-Madison seeks to hire a tenure-track faculty at the level of Assistant Professor, specializing in forest entomology. The individual will develop an extramurally funded research program that incorporates advanced quantitative or computational approaches to investigate ecological (including chemical) and management aspects of forest insect pests, and contribute to undergraduate and graduate course instruction. Minimum qualifications include a Ph.D. in biological science at the time of application and expertise in forest entomology. See full position description and application instructions at: <http://jobs.hr.wisc.edu/cw/en-us/job/499409/assistant-professor>. For full consideration, apply by December 1, 2018. UW-Madison is an affirmative action/equal employment employer and we encourage women, minorities, veterans and people with disabilities to apply.
